Communiqué from the Ansar al-Sunnah Army in Iraq

September 8, 2004

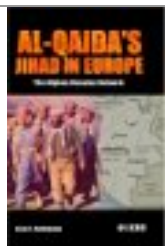

"In the Name of Allah, Most Gracious Most Merciful:"

"It is said, 'In fact, it was not you who killed them, but it was Allah who killed them; it was not you who threw the handful of sand, but it was Allah who threw it, so that He might pass the believers successfully through this excellent trial; surely, Allah is all-hearing and all-knowing.' (Al-Anfal, 17)"

"The black heroes of Tawheed have today inspired a new masterpiece among the masterpieces of victory when the mujahideen carried out an ambush on a group of vehicles belonging to American intelligence, consisting of four vehicles—including three of the GMC-brand... as they passed by on the expressway facing the Green Zone in the western section of the capital Baghdad."

"When the convoy arrived at the ambush site, the mujahideen attacked it like heroes, spraying it with their automatic weapons... destroying the four vehicles and killing more than ten people inside them... The people gathered nearby afterwards to see the wrecks of the cars and the remains of the evil Americans, we thank Allah, the Exalted and the Majestic, who has enabled us to hunt our enemies and make this country a grave for those who fight Allah and his messenger."
