Communiqué from the Ansar al-Sunnah Army in Iraq

October 14, 2004

"In the Name of Allah, Most Gracious Most Merciful:"

"Praise be to Allah, Lord of the Worlds… to our Muslim brothers, wherever they are:"

"We bring to you this good news, good news of the victory of truth over falsehood, the good news of Allah teaching his enemies another lesson from the lessons of honor. On 26 / Shaban / 1425 (10/10/2004), the mujahideen detonated a car bomb targeting a group of the American forces on the main road between Al-Fallujah [and the capital], causing a massive explosion. Afterwards, we met with eyewitnesses nearby during the attack who confirmed to us that the explosion burned many of the American military vehicles and killed more than twenty Americans, scattering their remains across the middle of the road."

"In now taking responsibility for this operation, we declare our intention, if Allah wills it, to continue following the path of jihad for the sake of [Allah] and his shariah until victory or martyrdom for the sake of Allah. It is said, 'Can you expect for us anything other than one of the two honors [victory or martyrdom]? We are waiting for Allah to inflict his punishment on you, either by Himself or through our hands.' (Surah Tawbah, Verse 52) Allahu Akhbar, and the honor goes to Allah, his messenger, and to the believers."
