Communiqué from the Ansar al-Sunnah Army in Iraq

January 10, 2005

“A well-planned ambush on the road to the Baghdad airport results in the killing of contractors and translators working with the American forces.”

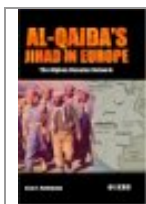

“In the name of Allah, Most Gracious, Most Merciful:”

“All praise be to Allah, Lord of the Worlds... It is said, ‘O you who believe! Do not take the Jews and the Christians for friends; they are only friends of one another, and whoever amongst you takes them for a friend, then surely he is one of them. Surely, Allah does not guide the unjust people.’ (Surah Maidah, Verse 51)”

“Yesterday, Monday 28 / Dhul Qidah / 1425, the courageous mujahideen were able to construct a well-planned ambush on the road to Baghdad airport targeting four apostate contractors and two translators working in the headquarters of the American forces at Baghdad International Airport. When they arrived in the area of the ambush, the mujahideen showered them with bullets from automatic weapons, killing all of them by the will of Allah.”

“We say to the co-conspirators who consort with the American forces and think that the crusaders can protect them, beg for forgiveness and abandon your course and you will be safe from the [hellfire], or else you will see nothing from us except slaughtering...”
