Communiqué from the Ansar al-Sunnah Army in Iraq

April 14, 2005

“Urgent News: the Ansar al-Sunnah Army, in a joint operation with Al-Qaida’s Committee, claims a huge explosion in Kirkuk.”

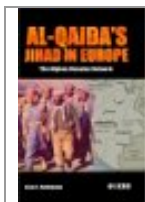

“In the Name of Allah, Most Gracious, Most Merciful:”

“Fight them so that Allah may punish them by your hands, humiliate them, and give you victory over them in order to soothe the anger in the hearts of the believers.’ (Surah Tawbah, Verse 14)”

“All praise be to almighty Allah, and prayers and greetings to his messenger. With the cooperation of a number of our fighting brothers from Al-Qaida’s Committee in Mesopotamia, on Wednesday morning, 4 / Rabi al-Awal / 1426 (April 13, 2005), a unit of your brothers [from the Ansar al-Sunnah Army] carried out an operation in Kirkuk by detonating a huge explosion caused by three buried improvised explosive devices hidden under a decoy device in the region of Bajwan... targeting a group of policemen (the protectors of petroleum). The operation resulted in the killing of twelve apostates... the rest of them suffered grievous wounds and the death toll may rise later.”

“Allahu Akhbar, and the honor goes to Allah, his messenger, and the believers.”
