### “The Martyrdom of Hadi bin Mubarak al-Qahtani”

*“In the name of Allah, Most Gracious, Most Merciful:”*

*“All praise be to almighty Allah and prayers to his messenger Mohammed, his family, and supporters. His life [initially] resembled the lives of other young men who grew up fooling around and not paying attention to their surroundings. His life changed after the holy attack that demolished the foolish infidel Americans and caused many young men to awaken from their deep sleep. The actions of those 19 heroes [i.e. the 9/11 hijackers] changed the course of our Islamic nation and also awakened the entire nation, making it swell with pride, with the help of Allah. Hadi was among those who changed his ways and instead chose the religion of Allah. He was—may Allah have mercy on his soul—among those who eagerly called the people to Allah and was eager to martyr himself. Allah made it possible for him to enter Iraq and, shortly thereafter, he martyred himself on Monday 2 Rabi al-Awaal 1426 (April 11, 2005) in the city of Al-Qaim.”*

*“May Allah grant you mercy and accept you among his martyrs. O’ Allah, we ask you to help us follow in his footsteps as soon as possible. Amen.”*
