Al-Qaida's Committee in the Islamic Maghreb (Algeria)

*"...Now, we are witnessing the gates of paradise being opened and the virgins making ready to meet their beloved ones. Now, we are witnessing the apostate and collaborating powers moaning [in agony], begging for help after being crushed by the strikes of the knights of martyrdom and the lovers of the virgins [of paradise]. We bring good news to the larger Islamic nation and, in particular, to our mujahideen brothers concerning the execution of special type of an operation for the very first time. The operation was executed by the above mentioned brothers [Muaz bin Jabal, al-Zubair Abu Sajidah, and Abu Dujanah]. On Wednesday, 24 Rabi al-Awwal 1428 (April 11, 2007), three martyrs carried out their mission targeting three bases for the infidels."*

- *"First target: the headquarters of the apostate government in Algeria. The attack was executed by Muaz Bin Jabal, who drove a truck filled with 700kg of explosives into the building. Our sources have reported to us that there were approximately 45 people killed and an unknown number of wounded. Also, part of the building was destroyed."*
- *"Second target: the headquarters for Interpol in Casablanca (Bab Ezzouar), executed by al-Zubair Abu Sajidah using a truck filled with 700kg of explosives. As a result he destroyed the whole building, killing 8 apostates and wounding an unknown number of people."*
- *"Third target: the headquarters for the Police Special Forces in Casablanca (Bab Ezzouar), executed by Abu Dujanah using a truck filled with 500 Kg of explosives. As a result the whole building was destroyed and a large number of people were killed and wounded."*

*"The current total number of casualties stands at approximately 200 apostates killed and wounded, the complete destruction of two buildings, and the partial destruction of the government headquarters. May Allah have mercy on our righteous martyrs and may he accept their courageous act aimed at achieving victory for this religion and expelling the crusaders and apostates out of the lands of Islam. We say to the apostates and their lords among the crusaders: behold the young Muslim men who are coming to you, behold those who cherish death more than life itself, and cherish martyrdom the same way that you cherish your corrupt lifestyle. We shall not put away our swords and we shall never live in peace until every last Muslim land is set free from the crusaders, the apostates, and the collaborators. This holy attack comes as part of a series of painful blows aimed at the apostate and collaborating soldiers over the past two*

[From top to bottom]: Muaz Bin Jabal, Al-Zubair Abu Sajidah, and Abu Dujanah.

*weeks. These blows have caused the tyrants to try and hide their actual losses and have forced them to adopt the policy of spreading lies and false news about the alleged killings of dozens of mujahideen. Sadly, local newspapers have also adopted their lies without even examining their sources. Therefore, we have decided to reveal some of the true harvest of the mujahideen.”*

- *“On the evening of April 7, 2007, members of the Jundullah Brigade in the first zone led by Shaykh Asim Abu Hayyan ambushed a group of infidel foot soldiers in the Allal area (Ain al-Daflah), and as a result, they manage to kill at least 10 apostates and wound a large number of them. They also managed to seize 10 Kalashnikov assault rifles before returning safely to their bases. We further deny the apostate report about the killing of 6 mujahideen during that battle.”*
- *“On April 6, 2007, the mujahideen detonated a bomb targeting an infidel army convoy near the area of Shoubat al-Amir (Boumerdas). As a result, 3 apostates were killed and unknown number were wounded. The mujahideen returned safely to their bases.”*
- *“On April 6, 2007, the mujahideen attacked an infidel army unit in the suburbs of Boughani (Tizi Ouzu), where they were able to surprise them with their heavy fire. An unknown number were killed and wounded.”*
- *“On April 6, 2007, a mujahideen unit attacked a security checkpoint near the city of Mekliya (Tizi Ouzu) resulting in an unknown number of killed and wounded.”*
- *“On April 5, 2007, the mujahideen detonated a bomb targeting a patrol of the infidel army in Al-Qas (Bouwira) area, resulting in the killing and wounding of at least 4 apostates.”*
- *“On April 5, 2007, a mujahideen unit engaged in battle with the infidel army in the area of Sidi Nouman while the army was patrolling and searching the area. There was an unknown number of them killed and wounded.”*
- *“On April 4, 2007, mujahideen unit attacked a joint checkpoint run by the apostate police and infidel army near the Jizr al-Aswad area in Tizi Ouzu. An unknown number of them were wounded.”*
- *“On April 1, 2007, the mujahideen detonated a bomb targeting an army patrol on the road between Al-Had market and Shoubat al-Amir (Boumerdas). An unknown number of them were killed and wounded as a result of the attack.”*

*“O’ followers of Tariq bin Ziyad and Uqbah bin Nafi... we advise you that your mujahideen brothers are taking extra precautions in order to avoid hurting their Muslim brothers during the various attacks. The apostates and their lying media will try to use that issue against us by minimizing the extent of their losses and damage and by lamenting the number of innocent civilians wounded during the attacks. So be aware of their campaign of lies, and pray for your mujahideen brothers to achieve victory. O’ Allah, attack the Jews and Christians and their apostate collaborators and bring victory to the mujahideen everywhere. Allahu Akhbar, Allahu Akhbar, and the honor goes to Allah, his prophet, and the mujahideen.”*
