Communiqué from the Al-Hesbah Network

June 8, 2006

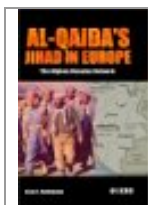

“Communiqué (8) from the Al-Hesbah network: Zarqawi’s Blood is Fuel that will Burn the Invaders and the Apostates... The Islamic nation awoke this morning to the news of the martyrdom of Abu Musab al-Zarqawi. He was killed by the treacherous hands of the crusader gangs, the [Shiites], and the apostate criminals. The Al-Hesbah network patiently accepts the death of the martyr of our nation, the knight, the Shaykh, the commander, and the emigrant... and sends its purest condolences to the leaders of this nation, may Allah protect them: commander Mullah Umar, Imam Usama Bin Laden, and Shaykh Ayman al-Zawahiri. [Al-Hesbah] also [sends condolences to] the army of Al-Qaida al-Jihad, the blessed mujahideen, and the whole Islamic nation.”

“As for you, Abu Musab, you were granted what you had hoped and begged for. You were a valiant knight, and a courageous Muslim. You did not accept submission, nor defeat. May Allah reward you with the greatest of rewards [martyrdom]... We hereby call upon our mujahideen brothers in Iraq and beseech them: Unity, Unity! We call upon them to transform the pure blood of our Shaykh [Abu Musab al-Zarqawi] into fuel that will burn the crusaders, shake the ground beneath the feet of the [Shiites], and [transform] into swords that will claim the heads of the apostates.”

“We beseech the entire Islamic nation for assistance, assistance, support, support, aid, aid... Where is your money? Where are your men? You have no excuse... As for you, America... your evil and your oppression are about to end. Your strength and your over-abundance are running out. Your arrogance will be buried in the deserts of Iraq and the mountains of Afghanistan. The era of the Islamic State is soon to come. As for the apostates and secularists from our own Islamic nation, the ignorant slaves of America, and to those who have been tricked by it—we say, ‘America will not help you, and history will not forgive you. Wake up before the curses of both the natural and supernatural will be upon you. Return to your religion before Allah subjects you to eternal disgrace and torment.’”
