Published: August 29, 2007

“A Statement from the Media Wing of the Mujahideen Army to our brothers at the Al-Furqan Foundation [the official Media Wing of Al-Qaida’s Islamic State of Iraq (ISI)].”

“...A note to our dear brothers from the Al-Furqan Foundation: your foundation has published video of an operation titled ‘the destruction of an apostate police vehicle’ on 13 Shaaban 1428 [August 26, 2007]. Video of that same operation was originally posted by the Media Wing of the Mujahideen Army titled ‘the Winds of Anger Attack’ on 5 Safar 1428 [February 23, 2007]. The following is the exact posting from that date:”

“The Winds of Anger attack, behold all the explosions targeting the enemies of Allah. In the name of Allah, Most Gracious, Most Merciful... As promised in our previous statements, we offer you [video of] all the explosions targeting enemy vehicles, praise be to Allah for his blessing... follow the link... Allahu Akhbar, and the honor goes to Allah, his prophet and the believers. The Media Wing of the Mujahideen Army, 5 Safar 1428.”

“Thus, we ask the brothers at the Al-Furqan Foundation to be more careful when posting [video of] these types of operations because it can have a negative impact on the credibility of our media campaigns.”
