Communiqué from "Al-Qaida's Jihad Committee in Mesopotamia" (Abu Musab al-Zarqawi)

December 29, 2005

"Al-Qaida's Committee in Iraq announces the good news of a rocket attack on the Jewish state."

"In the name of Allah, Most Gracious Most Merciful. O' Allah! Aim our fire and strengthen us!"

"All praise be to almighty Allah... After careful planning and intelligence gathering, a group of al-Tawheed lions and Al-Qaida operatives put their faith in Allah and launched a new attack on the Jewish state... [with] ten Grad rockets from Muslim territory of Lebanon toward selected targets in the northern part of the Jewish state. After successfully completing their mission, they left the scene unharmed, praise be to Allah for his blessing!"

"This blessed attack was carried out by the mujahideen in the name of Mujahid Shaykh Usama Bin Laden, the commander of Al-Qaida—may Allah protect him. We carried out the attack because it is now evident that the grandchildren of the monkeys and the pigs—and agents of the tyrant-worshippers in Muslim countries—are not willing to take such actions themselves. With the help of Allah, what is yet to come will be far worse. Allahu Akhbar, Allahu Akhbar, Allahu Akhbar, and praise be to Allah, his messenger, and the mujahideen."
