Communiqué from the Islamic Jihad Movement in Uzbekistan

July 30, 2004

"In the Name of Allah Most Gracious Most Merciful:"

"Allah says: 'Fight them until there is no more diversity of belief and only Allah's religion remains.' On 13/6/1425 hijri (7/30/04), a number of the Muslim youth carried out martyrdom operations that terrorized the apostate [Uzbek] government and her infidel allies from the Americans and the Jews. The mujahideen belonging to the Islamic Jihad Movement attacked the embassies of America and Israel, and also the judicial headquarters where the trial began several days ago of many of the brothers who are a part of that same movement. These martyrdom operations that the movement carried out will not stop, God-willing, and this is a response to the injustice of the apostate [Uzbek] government and an effort to support the jihad of our Muslim brothers in Iraq, Palestine, Afghanistan, the Hijaz [Saudi Arabia], and other Muslim countries that are ruled by the infidels and apostates."

"We ask Allah to accept our efforts and embrace our martyrs with his mercy, and to forgive us of our sins and errors in the service of the... liberation of the Muslim lands from the polytheists and infidels."
